

PUBLIC CONSULTATION SURVEY – MURRELL’S FIELD FACILITIES

Barnham and Eastergate Parish Council has received just over £200,000 in S106 contributions from recently constructed major housing developments in the Parish. The funding is ring-fenced to undertake works to improve Murrell’s Field and whilst the original plans were specific in terms of what the works should be the Council, working in partnership with Barnham and Eastergate Community Trust, would like your views to enable them to deliver facilities the public would wish to see.

There are two key elements that must be funded and that is an access path from the Redrow development to Murrell’s Field and drainage and levelling works to the field to enable us to put in place the facilities you tell us you would like to see. Here are our potential ideas and we would be grateful if you would indicate your views:

	Idea	Yes	No
1.	Provide sports pitches for recreational activities		
2.	Provide sports pitches for organised Club activities		
3.	Improve the current outdoor exercise equipment		
4.	Provide a BMX Pump Track		
5.	Provide a Skatepark		
6.	Provide a Community Garden		
7.	Provide some form of catering offering		

These are our ideas but please use the space below to indicate any facilities you would like to see provided:
